Monthly Missions Update - March 2025

MISSION INDIA

Vision For The Nation

Pastor Dave and Pastor Terry recently took a two-week trip to India, where they visited some of the churches in the Northern and Southern regions. They began by attending Pastor Jay's church in New Delhi, Northern India, where Pastor Dave preached to a packed congregation. The trip continued with a Northern Victory India conference, attended by over 400 pastors and leaders, all of whom are passionate about spreading the Victory Vision. They also officiated the VBCI Graduation.

From there, they traveled 2,000 km south where they held a similar conference for 200 eager leaders, all motivated to take the gospel to India's 1.5 billion people. The unity and determination of the leaders was evident as they expressed their goal of establishing a Victory Church in every region of the country.

This trip was only made possible by the support of the Victory family, including prayers and donations, which have made a real impact on missions. We want to encourage others to consider going on mission trips. There are opportunities for everyone, not just pastors, to be involved in missions.

If you want to get involved with missions, speak to your local church missions coordinator or contact our Canadian Missions Director, Pasto Marcia Smith by emailing missions@victorychurchescanada.org.

Thank you for your generous support of Victory Missions, through which we are touching the world with the love of Jesus, no matter where they are!
