Victory Life Skills Programs

The Victory Life Skills program is one way that we are changing the world by making a lasting impact in the lives of people around. This program helps put tools in the hands of people so that they are enabled to build a better future for themselves.

We already have Life Skills in Kenya, India and a sewing school and hair dressing school in Rwanda and we are now looking to start a trade school in Rwanda as well. This is an amazing opportunity for someone with a background as a skilled laborer or tradesman who would be willing to go and start this new ministry. If you feel this is you and you feel God calling you to this ministry, then contact us today. You can call 403-286-8337 or you can email victorychurches@victoryint.org

Pray For...

- Drs. George & Hazel Hill that they would receive protection, direction and inspiration as they lead this movement.
- A tradesman that would be willing to start a trade school in Rwanda. And that the sewing school and hair dressing school would keep impacting the community and leading people to Christ.
- That the Life Skills program in Kenya would continue to change lives and that more people would come on board to help expand this project.
- That the sewing schools in India would continue to thrive and more lives would be saved through this program.
