Thank You!

The Global Christmas Feeding Program is a vital outreach event that VCI Missions does every year. This programs aim reach the poor and destitute children of the world with the love of Christ by providing them with a feast and an unforgettable Christmas celebration. This is an event that children everywhere look forward to with great anticipation every year.

Each year we are able to reach thousands of children. This year we reached about 15,000 children from about 20 nations around the world. Your donations are the only thing that make this event possible. THANK YOU for making the year another success! We can't do this without you.
